FUNDRAISING for our Eagle County
School District Pre-K through Elementary
Schools Parent Organizations

Giddy Up!

**35 YEARS OF
WILD
WEST DAY
FUNDRAISING!**

The idea is to **collectively combine fundraising efforts** and solicit businesses and community members of Eagle County from Vail to Gypsum once a year between August-September, rather than exhausting fundraising resources by soliciting individually and year-round. The collective volunteer efforts of all ECSD elementary and Pre-K have proven successful year after year, raising up to \$20,000 per school.
