

2024 WRAP-UP!

Yeehaw! Thanks for ridin' with us!

We're downright grateful for your help in making Wild West Day 2024 a rootin'-tootin' success! Your generosity lit up our event like a campfire on the Western Slope under the stars.

Thanks to your support, we've wrangled up over \$152,645!* This will help blaze a trail of positive change for our young'uns and educators right here in Eagle County. From the bottom of our hearts, we tip our hats to you for helping us herd up a stampede of generosity in our Vail Valley community. We couldn't have done it without your mighty big heart and support!
